How to guide for zoom:

<https://edu.gcfglobal.org/en/zoom-basics/joining-a-meeting/1/>

*****Be advised that when you log in and are inside the zoom platform you will need to:**

- **Ensure that your audio is working from the device.**
 - This is something that will need to be navigated on your end if you are unable to hear.
- **Camera is turned on (this should be preset and already on).**
- **There is an area to raise your hand if there is a comment/question.**
 - (Questions will be answered when the board deems appropriate.)
- **You may change your view in the upper right-hand corner to either gallery (you can see everyone). Or you can view whoever is speaking.**

Below you will find two invitations...

Just click on the [link](#) and it will direct you into the meeting waiting room... it will say "Waiting on the host to start the meeting."

The Board requests (due to time constraints) that if there are specific questions you would like the board to answer please email them to:

president@mountainshadows.us

All questions must be received prior to Friday March 1st at 7PM.

All questions will be addressed at the end of the meeting.

This is a board of directors meeting to deliver information to our community. This meeting will be recorded so that it may be accessed later or for those who are unable to attend.

By utilizing a virtual platform this will allow all to join from any location.
